A48: AUDIO VISUAL SPECIALIST (Suncoast Casino - Durban)

Tsogo Sun welcomes job applications from passionate and hard-working team players who want to be part of our ever growing Tsogo Sun family. We value our employees and provide them with the means to grow within the company, opening many doors in the process. If this is an offer that excites you, send in your application and you could be the newest addition to our family.

Our successful Audio Visual Specialists ...

- provide excellent audio visual **solutions**: with the required compliance to standards, including equipment tests, maintenance of sound and lighting, digital display, media scheduling, including property events and promotions.
- manage all aspects of Audio visual reformatting, enhancements, transition, imagery, animations and creative elements.
- continually investigate and **build knowledge** of technical advances in the industry
- Professional experience in hardware and software engineering
- produce accurate technical and status **reports** to management
- liaise with Management on the **technical elements** of all precinct projects that will enhance the customer **experience and popularity** of the property
- liaise with suppliers and other external technical project teams for on property set ups and activations ensuring the highest standards of installations and certifications
- manage all elements of budgeting, including purchasing, asset verification/movements and negotiations, stock controls and placements
- demonstrate strong inspirational **leadership**, administrative and organizational abilities in managing an audio visual team
- work as part of a team or individually to deliver **high quality standards** consistently and accurately

If you have these **qualifications**, join our team: Matric (NQF 4), Audio Visual Technologies and technical tertiary qualifications, AV Practitioner, verbal and written English skills, computer literacy in Microsoft Office, and at least four years' experience in a similar position.
